DISTRICT SUMMARY

In 1996, the Joshua Basin Water District (the “JBWD”) formed the Copper Mountain Mesa Assessment District 1995-2 (the “District”) and issued bonds to finance the construction of potable water system facilities, including pipelines, a booster pumping station, a water storage reservoir, and the necessary appurtenances for the benefit of property owners within the District. JBWD sold the bonds to the United States Department of Agriculture (the “USDA”), who is now the sole bondholder. As directed by the Board of Directors and requested by the USDA, the District’s debt service schedule was re-amortized for a second time in 2002. The District’s bonds are scheduled to mature on September 2, 2035.

Levy

The following table provides a summary of the Fiscal Year 2023/24 final levy amount.

District	Parcel Count	FY 2023/24 Levy
Assessment District 1995-2	1,165	\$257,145.98

Funds

Construction of the District improvements is complete and the Improvement Fund is closed.

There is a surplus of approximately \$205,770 in the District’s Redemption Fund after the September 2, 2023 debt service payment and estimated administrative expenses through the end of 2023. NBS can work with JBWD to determine the amount of a possible bond call in 2024. JBWD should retain a portion of this surplus to ensure that future debt service payments can be made, due to historically high delinquencies within the District.

The District’s Reserve Fund balance exceeds the Reserve Requirement by approximately \$2,790 as of May 31, 2023. NBS recommends that JBWD transfer this surplus to the Redemption Fund to be used for future debt service payments.

Delinquencies

The Fiscal Year 2022/23 delinquency rate for the District is 12.91% and the overall delinquency rate over the life of the District is 1.42% as of June 30, 2023. There is no foreclosure covenant for the District. As such, the District’s delinquency rate may increase until property owners pay their assessments or until San Bernardino County cures the delinquencies through tax sale.

In March 2016, NBS assisted JBWD in developing a Delinquency Management Policy that outlines a procedure for issuing reminder letters to delinquent parcels within the District. Consistent with the District’s Delinquency Management Policy, NBS has delivered reminder letters to delinquent property owners following all installments since policy inception.
